

NON GOVERNMENT POLICY AND FUNDING SUMMARY OF SERVICES REPORT

Secondary Family Support Services to Prevent Children & Young People from Being in Need of Care and Protection – July to December 2014

Services to Prevent Children and Young People from Being in Need of Care and Protection are directed at families, children and individuals to address risk factors that may otherwise cause the children or young people to be in need of care and protection. Services should encompass positive strengths-based approaches that increase the capacities of families, children and individuals to create a safe, protective environment and improve their connectedness to the community and to available resources. Country services are located in the East Kimberley (1), Great Southern (1), Murchison (4), Southwest (3), and Wheatbelt (2) districts. Metro services are located in Metrowide (1) and Rockingham (1) districts.

Total	11,780 (100%)	14,129 (100%)

^a A Case refers to ongoing assistance provided to a client. The support / assistance from a service provider generally entails one hour or more of a worker's time either with the client directly or on behalf of that client.
^b Groups refer to all activities focussing on developing skills. These groups may be educational, therapeutic or recreational.
^c Total number of clients counts both individuals and young people that have ongoing significant interaction with the service. Individuals may be from a case and/or groups, but excludes one-off contacts.
^d Other represents the aggregation of 19 different categories, including Parenting Skills, Anger Management Issues, Alcohol & Other Drugs, Suicide Prevention, and Skills Development.
